

Coalesse Pattern

Nature inspired. Varied applications. Your vision.

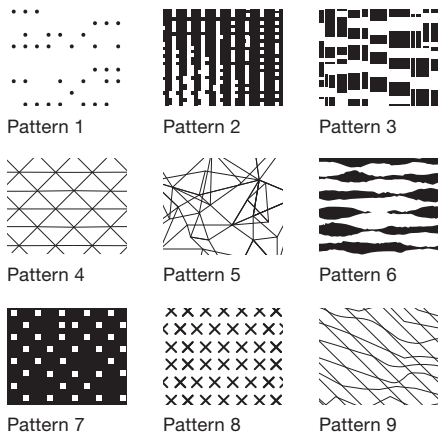

**Coalesse invites you to participate and make
your mark — with *pattern*.**

coalesse®

Coalesse Pattern enriches your design choices with a series of textural surface patterns drawn from nature, which can be applied through our custom capabilities. Using our Specials process you can now easily personalize these patterns in customized colors for your *LessThanFive Chair* and add select patterns and colors to *glass top tables*.

Patterns

We translated the vitality of nature into the modern beauty of nine patterns adapted from earth, sea, sky, and water.
